Theme:  
Circus is  
coming to town

## February

### Parents and Students

February is a month of love here at Camden Academy! The teachers and students enjoy celebrating friendships, hearts, and the love we have for each other. This month is also the children's favorite month because it is Circus is Coming to Town. The teachers enjoy exploring the circus world of elephants, clowns, lions, camels, and all the amazing circus performers.

Next Month in the Classroom  
Hats, Cats, and Leprechauns
